Each box must be properly labelled with the shipper and consignee's full address, consignee's phone number, weight and dimensions of each piece and the total number of pieces. Each box in a shipment must have an appropriate barcode and individually numbered, for example "Box 1 of 2", "Box 2 of 2". Improper labelling may result in the shipment or piece being delayed or lost. It is also recommended that a duplicate label be attached to the inner flap of each piece. In instances where a customer is reusing a box, all previous labels and barcodes must be removed. Multi-labeled packages and shipments will be subject to an additional Address Correction fee for manual amendments.

Shipments that contain commodities such as glass or liquid should be indicated as such on the outside of the box and or usage of a commodity sticker. In certain circumstances Loomis Express may require government issued identification for delivery.
