

U.S. Customs Brokerage

One – Step Access to Complete Customs Needs

Whether you're an American Manufacturer, distributor or international supplier, Frontier North America opens the American border for your business by offering U.S. customs brokerage and consulting in a single service.

To support your shipping needs, Frontier offers a full range of customs brokerage solutions to help you clear U.S. customs efficiently, boost your customs and trade compliance, take advantage of free trade agreements, and maintain supply chain visibility.

Frontier Solutions

Customs Clearance

Moving your goods from point origin to final destinations without unnecessary, unexpected and often costly delays is crucial to your company's success. Frontier can accelerate your shipments through the customs process and minimize the supply chain disruptions that can delay your shipments and cost you money.

Trade Compliance

Regulatory compliance and corporate governance are an unavoidable part of running a business. With penalties being issued, having a well-designed compliance program is essential. Reduce risk, and improve your supply chain efficiency with Frontier. Frontier will provide clear answers, as well as providing accurate, and timely services.

One Contact

With our One-Step Access, your business gains the benefit of improved transparency, better communication, simplified billing, and our "one-Client One Team" policy. This provides one contact for all services and, when combined with Frontier's logistics offerings, creates a turnkey fulfillment solution that adds value to your supply chain.

Web Tracker

Web Tracker provides Frontier's U.S. customers with the most reliable and up to date information on all their shipments. Whether clients are importing or exporting, sending by land, water or air, Web Tracker has the ability to trace orders at every stage. Web Tracker organizes all the details companies need to be confident that their shipments are in the best hands by supplying reports on containers, declarations and importer security filings.
