

# FRONTIER

SUPPLY CHAIN SOLUTIONS INC.

Frontier is a full-service provider who helps companies with their logistic needs across North America

## Customs Brokerage

Our US and Canadian Customs brokerage keeps you compliant and avoids delays at the border.

## Consolidation

Frontier specializes in combining LTL & parcel shipments into one shipment to cross the border. The results are lower freight costs and customs clearance fees.

## Freight Forwarding

For international shipments, Frontier makes sure you get the best deal available.

## Transborder Logistics

Using team drivers, our company expedites freight movements between our cross-border hubs of Winnipeg, Mb, Chicago IL, & Toronto, ON. This Triangle creates the fastest delivery from the U.S. Midwest to Canada.

## LTL/Parcel Delivery

We provide last mile LTL & parcel delivery throughout Canada. With a combination of fixed assets & partners, Frontier delivers to over 800,000 Canadian postal codes for home delivery.

With our complete local and international logistics solutions, your business gains the benefit of improved efficiency, reduced costs and better communication for you and your customers.
