

# Canada Express

Shipping to Canada made easy.

## Is Canada Express Right For You?

---

### Parcel or LTL

We ship both. Whether your needs are B2B or B2C, our **Canada Express** service makes shipping from the US Midwest to Canada simple.

### Last Mile

Using a combination of our own drivers & trusted Canadian delivery partners, we ship to over 800,000 postal codes throughout Canada.

## Benefits

### Avoid Border delays

Ship to Canada in a way that makes you forget there's a border. As your carrier and customs broker, we will streamline the importing process.

### Overnight, Daily Service

We have multiple, team driven trucks leaving our Chicago facility daily to provide overnight service to both eastern & western Canada.

### One Team, One Provider

Our "one team one provider" approach will cover all of your logistics and customs needs.

### Simple Shipping Rates

Let your customers know exactly what to expect when their parcel arrives at their door with our landed, door-to-door pricing methods.
