

SELL TO CANADA With Cross-Border Consolidation

- ✓ **Lower Your Costs**
- ✓ **Increase Visibility**
- ✓ **Reduce Your Transit Times**

Shipping individual orders into Canada and clearing customs one-by-one can be expensive, timely and difficult to manage. Consolidating your shipments will streamline the shipping process.

Frontier's team will help you navigate through the complexities of cross-border shipping through consolidation. Our knowledge and experience in logistics and customs brokerage will make the process seamless.

Parcel  **& LTL** 

From our warehouse in Illinois, Frontier will transport the shipment on a schedule of your choosing to one of our Canadian induction centres (Winnipeg, MB & Toronto, ON). From there the product will be shipped directly to the Canadian receiver.
