

CUSTOMS BROKERAGE

ONE CLIENT - ONE TEAM

Our one client - one team approach opens the Canada-US border for your business by offering customs brokerage and trade compliance in a single service. Deal with someone who is familiar with your business and products, as well as unique needs.

DIGITAL CUSTOMS

Frontier offers a user-friendly customs portal, which ensures complete control and visibility throughout the entire importing and exporting process. Monitor your daily statement of accounts and audit report. Plus, manage custom entry activity in real-time.

CONTROL CUSTOMS COSTS

Ensure you pay the legal minimum duties and taxes on imported goods with proper tariff classification. Grow your business by treating Canada as an extension of the US, and fulfil into the Canadian market.
