

## LOGISTIC & COURIER

# PARCEL DELIVERY

### **E-Commerce Solutions**

Frontier delivery allows you to be highly competitive in your e-commerce. We provide home delivery across Canadian cities with photos of ongoing location transmission of your package.

### **Easy To Place Your Order**

Our user-friendly platform allows you to enter all details about your orders and check it with our Dispatch. Additionally, track all your deliveries in real-time and manage your packages with various reports.

### **Improve Routes In Rural Areas**

Frontier offers your package deliveries throughout Canada, including remote and rural areas. Contact us to know the time of delivery in your area.

### **Reduce Your Shipping Costs**

At Frontier, we provide top-notch solutions to reduce your shipping costs while ensuring that every package is handled with care.
