

TRADE MANAGEMENT SERVICES

Frontier provides importers with expert up-to-date information on last changing Customs and Security requirements to reduce trading costs, minimize the risk of costly penalties and strengthen relationships with various trade partners. We charge a monthly retainer to provide consistent, ongoing support and services tailored to meet your needs.

Benefits include:

- CBSA Tariff Classification – classification ahead of importation
- US CP Tariff Classification
- Tariff Rulings
- Free Trade Agreement Retrieval
- Free Trade Agreement Creation
- Customs accounting Document Adjustment for discrepancy reporting
- Annual Verification Review
- Customs

TRADE MANAGEMENT

This involves comprehensive oversight and management of your company's trade compliance activities such as:

- Real-time monitoring of regulatory changes.
- Accurate documentation and classification.
- Proactive risk management and mitigation.

VERIFICATION REVIEW

A verification review provides the following benefits:

- Risk Mitigation
- Cost Savings
- Operational Efficiency
- Reputational Protection
